Please review the attached document.

Dear Team:

Attached is Covance PA 17, which has been identified on our contract tool as needing an accelerated turnaround. (Original scope and proposed budget was rec'd after business hours on 9/12 - work on the draft project agreement began on 9/15 but was halted pending additional revisions to proposal and budget - rec'd today.)

Work on the procedure protocol is slated to begin on 10/1/03 with first contact to participants beginning 12/1/03. Please review and be prepared to discuss at our team meeting tomorrow.
